

IRONERS

TFI 6026 · 6032

STANDARD FEATURES & BENEFITS

- Ergonomic cylinder heated ironer
- Gas or electric heating
- Extended heat transfer path
- Large surface contact with linen
- Roll standard with chrome surface coating for better thermal conduction and highly resistant to corrosion, even after periods of inactivity
- Finger protection panel and emergency button for more safety
- Easy to use electronic control with pre-set ironing programmes
- Indication of ironing temperature and speed
- Frequency controlled motor
- Reverse mode possible
- Space-saving wall model with front return of the linen
- Overheating check system with 2 temperature sensors
- Premix burner for more power and efficient ironing
- LED lights on the ironing width for good visibility and operation

OPTIONS

- Longitudinal fold
- 3 folding sensors at feeding point instead of 1
- Transport wheels
- Rear output of the linen
